Dell Limited Hardware Warranty

Dell-branded hardware products purchased in the U.S. or Canada may come with a 90-day, 1-year, 2-year, 3-year, 4-year, 5-year or other limited hardware warranty. Dell may offer different delivery methods for warranty service, including but not limited to parts and product dispatches, mail-in service and onsite/in-home service. Renewals and extensions of your limited hardware warranty may also be available after you purchase your product(s). To determine the warranty that came with your hardware product(s), or the warranty renewal or extension that you purchased, see your packing slip, invoice, receipt or other sales documentation. Some components of the hardware you purchased may have a shorter warranty than that listed on your packing slip, invoice, receipt or other sales documentation. Additional details related to warranty duration are listed below.

EXCEPT FOR THE LIMITED WARRANTY EXPRESSLY STATED ABOVE FOR DELL-BRANDED PRODUCTS, DELL PROVIDES NO WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OR CONDITION (1) OF MERCHANTABILITY, MERCHANTABLE QUALITY, FITNESS FOR A PARTICULAR PURPOSE, PERFORMANCE, SUITABILITY OR NONINFRINGEMENT; (2) RELATING TO ANY THIRD-PARTY PRODUCT OR SOFTWARE; OR (3) REGARDING THE RESULTS TO BE OBTAINED FROM THE PRODUCT OR SOFTWARE. DELL EXPRESSLY DISCLAIMS ALL WARRANTIES AND CONDITIONS NOT STATED IN THIS LIMITED WARRANTY. THIS LIMITED HARDWARE WARRANTY MAY BE VOIDED BY DELL, AT DELL'S SOLE DISCRETION, IF THIRD PARTY PRODUCTS THAT WERE NOT PROVIDED BY DELL ARE INSTALLED ON YOUR DELL SYSTEM.

FOR CONSUMERS. This section applies if you purchase Dell products that are normally used for personal, family or household purposes.

DELL'S RESPONSIBILITY FOR MALFUNCTIONS AND DEFECTS IN HARDWARE IS LIMITED TO REPAIR OR REPLACEMENT AS SET FORTH IN THIS WARRANTY STATEMENT.

FOR ANY INCIDENT COVERED BY THIS DELL LIMITED HARDWARE WARRANTY, YOU MUST USE DELL-PROVIDED PARTS AND PRODUCTS, WHICH DELL WILL PROVIDE TO YOU FOR NO ADDITIONAL CHARGE.

TO THE EXTENT NOT PROHIBITED BY LAW IN YOUR STATE, PROVINCE, JURISDICTION OR COUNTRY, THIS WARRANTY AND THE REMEDIES SET FORTH ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, REMEDIES AND CONDITIONS, WHETHER ORAL, WRITTEN, STATUTORY, EXPRESS OR IMPLIED.

SOME STATES, PROVINCES, JURISDICTIONS OR COUNTRIES DO NOT ALLOW DISCLAIMERS OF IMPLIED WARRANTIES AND CONDITIONS, SO THIS DISCLAIMER MAY NOT APPLY TO YOU.

TO THE EXTENT SUCH WARRANTIES AND CONDITIONS CANNOT BE DISCLAIMED UNDER THE LAWS OF THE UNITED STATES, CANADA (AND ITS PROVINCES) OR OTHERWISE, DELL LIMITS THE DURATION AND REMEDIES OF SUCH WARRANTIES AND CONDITIONS TO THE DURATION OF THIS EXPRESS LIMITED WARRANTY (AS REFLECTED ON YOUR PACKING SLIP, INVOICE, RECEIPT OR OTHER SALES DOCUMENTATION) AND, AT DELL'S OPTION, THE REPAIR OR REPLACEMENT SERVICES DESCRIBED BELOW. SOME STATES, PROVINCES, JURISDICTIONS OR COUNTRIES MAY NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY OR CONDITION MAY LAST, SO THE LIMITATION DESCRIBED ABOVE MAY NOT APPLY TO YOU.

What will Dell do?

Upon contacting Dell, you will be required to engage in a remote diagnosis session to help determine the cause of your issue. Remote diagnosis may involve customer access to the inside of the product and multiple or extended sessions. If Dell determines that your issue is the result of a defect in materials or workmanship but the issue is not able to be resolved remotely, Dell, at its sole discretion, may dispatch a replacement part to you, arrange for you to send your product or defective part back to Dell's repair depot or replace the part or product with a comparable part or product that may be new or refurbished. If the Dell Limited Hardware Warranty for your product includes onsite/in-home warranty service, then Dell may also elect to dispatch a service technician to your location to perform the repair or replacement (see Important Information about Onsite/In-Home Warranty Service After Remote Diagnosis below).

If your limited hardware warranty has expired or if we determine that the problem is **not** covered under this limited hardware warranty, we may be able to offer you service alternatives on a fee basis.

We use new and refurbished parts made by various manufacturers in performing warranty repairs and in building replacement parts and products. Refurbished parts and products are parts or products that have been returned to Dell, some of which were never used by a customer. All parts and products are inspected and tested for quality. Replacement parts and products are covered for the remaining period of the limited hardware warranty for the product you purchased. Dell owns all parts removed from repaired products and, in most instances, you will be required to return defective parts to Dell.

Dell may use authorized representatives to provide any of the technical support or repair services under this limited hardware warranty.

Important information about returning products to Dell for repair or replacement:

For Mail-in Service: Customer supplies box, pays shipping: Upon a determination by Dell that your product should be returned to Dell for repair or replacement, we will issue a Return Material Authorization (RMA) number that you must include with your return. You must return the product to us in its original or equivalent packaging, prepay shipping charges and insure the shipment or accept the risk if the product is lost or damaged in shipment, which could void warranty coverage as customer-induced damage. We will return the repaired or replacement product to you. We will pay to ship the repaired or replaced product to you if you use an address in the United States (excluding Puerto Rico and U.S. possessions and territories) or in Canada (in respect of systems registered in Canada). Otherwise, we will ship the product to you freight collect.

For Mail-in Service: Customer supplies box, Dell pays shipping: Upon a determination by Dell that your product should be returned to Dell for repair or replacement, shipping instructions will be provided to you. You must package the product in its original or equivalent packaging and call the carrier designated on your shipping instructions to arrange a pickup time or, at your convenience, you may take the adequately packaged product to a designated carrier pickup location. As long as you follow our shipping instructions, we will pay standard shipping charges for shipping the product in for repair and for shipping it back to you if you use an address in the United States (excluding Puerto Rico and U.S. possessions and territories) or in Canada (in respect of systems registered in Canada). Otherwise, we will ship the product to you freight collect.

For Mail in Service: Dell supplies box and pays shipping: Upon a determination by Dell that your product should be returned to Dell for repair or replacement, packaging, shipping instructions and a prepaid shipping waybill will be sent to you. Upon receipt of the shipping supplies, you must package the product in the material required and call the carrier designated on your shipping instructions to arrange a pickup time. As long as you follow our shipping instructions, we will pay standard shipping charges for shipping the product in for repair and for shipping it back to you if you use an address in the United States (excluding Puerto Rico and U.S. possessions and territories) or in Canada (in respect of systems registered in Canada). Otherwise, we will ship the product to you freight collect.

When you contact us regarding certain products, we may offer to ship you a replacement product prior to receiving your original product back. In such instance, we may require a valid credit card number at the time you request a replacement product. We will not charge or invoice you for the replacement product as long as you return the original product to us within 10 days of your receipt of the replacement product and we confirm that your product issue is covered under this limited hardware warranty. If we do not receive your original product within 10 days, we will charge your credit card or invoice you for the then-current standard price for the product. If upon receipt of your original product, we determine that your product issue is not covered under this limited hardware warranty, you will be given the opportunity to return the replacement unit, at your sole expense, within 10 days from the date we contact you regarding the lack of coverage for your issue or we will charge to your credit card or invoice you the then-current standard price for the product. In addition, if you fail to pay Dell the amounts, Dell may suspend your limited hardware warranty support until the applicable amount is paid. A suspension of your limited hardware warranty for failure to properly return a product or to pay an amount charged for such failure to return a product will not toll the term of your limited hardware warranty and the limited hardware warranty will still expire in accordance with its original term.

NOTE: Before you ship the product(s) to us, make sure to back up the data on the hard drive(s) and any other storage device(s) in the product(s). You are responsible for removing any confidential, proprietary or personal information and removable media such as storage cards or devices, DVDs/CDs or PC Cards regardless of whether a technician is also providing in-home or onsite assistance. We are not responsible for any of your confidential, proprietary or personal information; lost or corrupted data; data or voice charges incurred as a result of failing to remove all SIM cards; or damaged or lost removable media. Please, only include the product components requested by Dell.

Important information about part dispatches by Dell:

For some issues, Dell may dispatch a new or refurbished part for you to replace a defective part, if we agree that the defective part needs to be replaced. You must return the defective part to Dell. When you contact us, we may offer to ship you a replacement part prior to receiving your original part back. In such instances, we may require a valid credit card number at the time you request a replacement part. We will not charge or invoice you for the replacement part as long as you return the original part to us within 10 days of your receipt of the replacement part. Failure to timely return the defective part to Dell in accordance with the written instructions provided with the replacement part may result in the suspension of your limited hardware warranty support or a charge to your credit card or invoice in the amount of the then-current standard Dell price for that part. A suspension of your limited hardware warranty for failure to properly return a part will not toll the term of your limited hardware warranty and the limited hardware warranty will still expire in accordance with its original term.

We will pay to ship the part to you if you use an address in the United States (excluding Puerto Rico and U.S. possessions and territories) or in Canada (in respect of systems registered in Canada). Otherwise, we will ship the part freight collect. We will also include a prepaid shipping container with each replacement part for your use in returning the replaced part to us.

NOTE: Before you replace parts, make sure to back up the data on the hard drive(s) and any other storage device(s) in the product(s). You are responsible for removing any confidential, proprietary or personal information and removable media such as storage cards or devices, DVDs/CDs or PC Cards regardless of whether a technician is also providing in-home or onsite assistance. We are not responsible for any of your confidential, proprietary or personal information; lost or corrupted data; data or voice charges incurred as a result of failing to remove all SIM cards; or damaged or lost removable media. When returning parts to Dell, please only include the product components requested by Dell.

Important information about Onsite/In-Home Warranty Service After Remote Diagnosis:
